

Albany-Saratoga Speedway Thursday Night Series Kart Classes

Only classes with enough participants (minimum of 5) will run on a weekly basis. Officials reserve the right to combine classes as deemed necessary.

All first time drivers must wear a **LARGE X** on the back of their helmet.

If 5 or more karts show up to race in a specific WKA class, we will run that class. However, the class may run with another class as deemed necessary by the Race Officials.

Championship trophies or plaques will be awarded to the 5 top point drivers in each class at the end of the year. Rookie class will not compete for points; however, will be eligible for year-end awards.
